## HOW TO USE THESE NUMBERS

BAH is an income input, not a purchase-price approval. Use actual LES income, debts, cash needs and a property-specific total: loan payment, buyer-based taxes, homeowners and wind insurance, flood coverage where applicable, dues, assessments, upkeep and utilities. The E-5 with-dependents reference is \$2,433 in FL056 and \$1,863 in FL064. Ask finance to confirm your individual eligibility, duty-station ZIP and rate protection. A future rent or sale price is uncertain.

### Build a documented home-search plan

Share your area, move date and housing goals. Use secure lender channels for LES, orders and financial records.
